

Why your business should invest in a trainee this year

Traineeships are a great way for businesses to attract new employees or upskill existing team members.

Traineeships are very similar to apprenticeships, but they concentrate on vocational or job areas such as office administration, information technology, or hospitality. Traineeships are open to anyone of working age and can include existing and new members of your team.

- ✔ Trainees will be paid for on the job training, learn new skills to improve their career and earn a nationally recognised qualification.
- ✔ Businesses are rewarded with committed employees who have new skills and knowledge to be more effective in your organisation.

Fee-free Traineeships

Various State training departments offer a variety of fee-free and subsidised traineeship initiatives. Under these programs the states will pay for the students fees in a traineeship or a portion of them.

Contact us and we can help you understand what fee free traineeships initiatives you could be eligible for in your state.

Wage Subsidy Opportunities

The Australian Apprenticeships Incentive System supports employers in engaging more apprentices/trainees and increasing the number of skilled workers in the Australian workforce.

From 1 July 2022 to 30 June 2024, employers of new or existing worker apprentices/trainees in priority occupations on the Australian Apprenticeships Priority List will be eligible for:

- ✔ Priority Wage Subsidy of 10% of wages for first and second year apprentices/trainees (up to \$1,500 per quarter); and
- ✔ Priority Wage Subsidy of 5% of wages for third year apprentices/trainees (up to \$750 per quarter).

For employers of apprentices/trainees in occupations not included on the Priority List, there is a Hiring Incentive of \$3,500 paid in two equal six monthly instalments (\$1,750 each).

Apprentices/trainees in priority occupations also receive \$1,250 every six months for a maximum of two years (up to \$5,000 at full-time rate).

Existing staff are also eligible if they move from a casual or part-time role to a part-time or full-time apprenticeship/traineeship.

EMPLOYMENT AND SKILLS

Australian Apprenticeships Incentive Reform

Updated: 8 June 2022

Apprenticeships play a critical role in supporting Australians to access secure, well paid jobs. They create a pipeline of skills and talent in the Australian workforce, helping businesses to meet their current and future skills needs and realise the opportunities of a recovering economy.

Starting on 1 July 2022, the Australian Apprenticeships Incentive System will support a more inclusive and sustainable economy, ensuring Australians receive quality training while in paid employment.

Overview of the Australian Apprenticeships Incentive System

The **\$2.4 billion** Australian Apprenticeships Incentives System will help get apprentices working in secure jobs that are in demand, filling skills shortages. It will help increase completions, providing financial and non-financial support at the time the apprentice needs it the most.

Government support under the Australian Apprenticeships Incentive System will focus on priority occupations, ensuring support is targeted to the skills in demand in the Australian economy. Priority occupations are listed on the [Australian Apprenticeships Priority List 1 July 2022](#) (Priority List), which will be updated regularly. The Priority List is a list of 77 occupations, is based on analysis of the occupations in current shortage and future demand over the next five years and that are most likely to involve an Australian Apprenticeship entry pathway.

Support will also be available to employers taking on Australian Apprentices in occupations not listed on the Priority List.

Support for Women in Trades

The Australian Government is investing **\$38.6 million** over four years to provide additional support for women who commence in eligible trade occupations on the Priority List. The eligible trade occupations are occupations that have historically had a low level of female participation.

This measure will provide these women with access to comprehensive wraparound support through the Australian Apprenticeship Support Network, including personalised advice and information on career options and apprenticeship pathways, pastoral care, career and industry mentoring, access to professional networks and entrepreneurship training. These non-financial supports will help to support more women to complete their apprenticeship and go on to have successful careers.

Australian Apprenticeship Support Loans

The Australian Government is renaming and expanding the Trade Support Loans Scheme which will make the Scheme available to trainees in the care sector for the first time. Subject to the passage of legislation, the new Australian Apprenticeship Support Loans scheme will be available for all apprentices and trainees in occupations on the Priority List. It will provide income contingent loans of up to \$21,542, to help recipients meet day to day costs while undertaking their studies. The measure will also enable backdating of payments to provide immediate support to recipients.

Support for Young Australian Apprentices

From 1 July 2022, young apprentices aged 15 to 20 years will receive additional support to complete their Australian Apprenticeship. All newly commencing young Australian Apprentices will receive a follow-up call three months from commencement to ensure any issues are identified early.

In addition, an extra 2,500 in-training support places will be made available in 2022-23 for young Australian Apprentices from 1 July 2022. This comes on top of the almost 30,000 in training support places already funded for delivery to Australian Apprentices in 2022.

Living Away From Home Allowance and Disability Australian Apprentice Wage Support

There will continue to be support available for students who need to travel to undertake their apprenticeship, through a continuation of the Living Away From Home Allowance. There will also continue to be additional supports for apprentices with a disability, through Disability Australian Apprenticeship Wage Support.
