EMPLOYMENT AND SKILLS

Traineeship Spotlight

Aged Care

This aged care traineeship will provide you with the skills and knowledge to be effective in an aged care worker role in a residential setting.

You will learn to use a person-centred approach to assist with personal care by following individualised plans to look after the elderly.

By promoting healthy lifestyles and supporting their emotional wellbeing, you will discover how to empower and facilitate the independence of older people.

Many of the learning activities and tasks will encourage learners to reflect on their current work and practices and benefit by the employer by applying these new skills immediately in your organisation.

Course Duration and Delivery

The 12 month program is delivered in shorter, more manageable terms of learning. This allows participants to focus on specific sections of the program at one time.

These terms also provide the perfect 'check point' over the duration of the program to monitor and support participant progress.

Each term, the participant enjoys an innovative 360 degree learning experience.

After a program orientation session, participants engage in group workshops and tutorials, workplace training activities, have access to on-demand support as required and concludes with a face to face workplace visit by the trainer to recap the term of learning and observe the participant's progress.

EMPLOYMENT AND SKILLS

Why your business should invest in a trainee this year

Traineeships are a great way for businesses to attract new employees or upskill existing team members.

Traineeships are very similar to apprenticeships, but they concentrate on vocational or job areas such as office administration, information technology, or hospitality. Traineeships are open to anyone of working age and can include existing and new members of your team.

- ✓ Trainees will be paid for on the job training, learn new skills to improve their career and earn a nationally recognised qualification.
- ✓ Businesses are rewarded with committed employees who have new skills and knowledge to be more effective in your organisation.

Fee-free Traineeships

Various State training departments offer a variety of fee-free and subsidised traineeship initiatives. Under these programs the states will pay for the students fees in a traineeship or a portion of them.

Contact us and we can help you understand what fee free traineeships initiatives you could be eligible for in your state.

Wage Subsidy Opportunities

The Australian Apprenticeships Incentive System supports employers in engaging more apprentices/trainees and increasing the number of skilled workers in the Australian workforce.

From 1 July 2022 to 30 June 2024, employers of new or existing worker apprentices/trainees in priority occupations on the Australian Apprenticeships Priority List will be eligible for:

- ✓ Priority Wage Subsidy of 10% of wages for first and second year apprentices/trainees (up to \$1,500 per quarter); and
- ✓ Priority Wage Subsidy of 5% of wages for third year apprentices/trainees (up to \$750 per quarter).

For employers of apprentices/trainees in occupations not included on the Priority List, there is a Hiring Incentive of \$3,500 paid in two equal six monthly instalments (\$1,750 each).

Apprentices/trainees in priority occupations also receive \$1,250 every six months for a maximum of two years (up to \$5,000 at full-time rate).

Existing staff are also eligible if they move from a casual or part-time role to a part-time or full-time apprenticeship/traineeship.
