

Course Spotlight

Employment Services

This qualification will provide you with the skills and knowledge to be effective operators within the employment sector. These will include:

- ✔ Building networks and relationships
- ✔ Legal, ethical, and technical background
- ✔ Up-to-date information on employment services in Australia
- ✔ Supporting employment and career development
- ✔ Mental health, stressors, and dealing with the issues of today.

Course Duration and Delivery

The 12 month program is delivered in shorter, more manageable terms of learning.

This allows you to focus on specific sections of the program at one time.

These terms also provide the perfect 'check point' over the duration of the program to monitor and support your progress. Each term, you will enjoy an innovative 360 degree learning experience.

After a program orientation session, you will engage in online group workshops and tutorials, online activities, and have access to on-demand support as required.
