INTAKE DATES

The Certificate IV in Employment Services allows students to enter in any term of study with 7 intake periods per year. Live learning sessions occur each week. DURATION + DATES

The course duration is 12 months with 5 learning modules scheduled over 5 study terms. The flexibility of this program offers students multiple options to complete. Students can take advantage of our 'extension' period and complete in 12 months if needed, or they can choose the 7.5 month Fast-Track option if they wish to complete their program earlier.

'LIVE' LEARNING SCHEDULE

The 360-degree learning experience provides participants with a range of scheduled live workshops and self-learning activities.
